## UNITED MISSION IS THE VEHICLE

### Global Outreach of the American Baptist Churches of the Rocky Mountains is Powered by United Mission

In August 2017, a mission team from ABC Rocky Mountains shared the Gospel with thousands of students at Central Philippines University in Iloilo City. Each year, the school sponsors the Christ Emphasis Week (CEW), which engages the whole campus in Christ-centered reflection, prayer and discussion. The ABCRM team preached or taught over 40 sermons and lessons during the week.

Executive Minister Rev. Dr. Steve Van Ostran observed, "I was surprised by the impact of CEW. I introduced the theme "ROOTED" on the first day and preached to packed houses in their auditorium that seats 4,000 people. It was a powerful week, we prayed for and with lots of students and felt the Spirit move. All of us left with new friends and life-long memories. I know that many lives were impacted and changed as a result of our visit - including not only students, staff and faculty members, but also the seven lives of our ABCRM team members."

Rev. Francis Neil G. Jalando-on, CPU Communication Director, affirmed the positive impact of the ABCRM mission: "The presence of ABC pastors and leaders reminds the CPU community of its intertwined roots with American Baptists. We hope to see more mission teams from ABCUSA in future CEW convocations!"
